FDA to crack down on tobacco products

TNN | Updated: Oct 21, 2016, 05:54 IST

INDORE: Indore unit of Food and Drug Administration will soon crackdown on sale of tobacco made gutka and paan masala.

The department has issued an order in this regard to curb illegal sale of tobacco products. Officials said as per the Food Safety Act, 2006 tobacco and nicotine cannot not be used as ingredients in food.
